Exit Survey Environmental and Occupational Hygiene Program

Please rate how the program at the University of Cincinnati prepared and trained you in each of the areas shown below. This should be based on your current level of knowledge and training, not your expected job and professional requirements.

Rank each item using the scale shown (1= not at all; 7=extremely well). Please circle one number under each of the first seven items. Then complete items 8 and 9. Return this form to Stephanie Starkey.
It must be completed before your application for graduation can be processed.
