Jon @ MSB: CIR (dudleyjd@mail.uc.edu)

Purnima @ Vontz (waghpk@mail.uc.edu)

Tickets are First Come, First Serve!!!

Hello,

My name is Haley Titus, I am a first year neuroscience PhD student and the community service chair for Health Science Graduate Studies as well as for Golden Key International Honour Society at UC. I sit on the planning committee for Walk MS Cincinnati, an exciting event that will be held at Sawyer Point in downtown Cincinnati on Saturday, April 24, 2010 and hosted by the National Multiple Sclerosis (MS) Society. As a part of a powerful community that will impact the lives of thousands, I'm writing to invite you to join my team (Titus's Trotters- UC & CCHMC Walk for MS). As teammates, we can work together to create a world free of multiple sclerosis.

MS stops people from moving, and the National MS Society exists to make sure it doesn't. Every hour in the United States, someone is newly diagnosed with MS, an unpredictable, often disabling disease of the central nervous system. By joining my team, we can make a profound difference together by raising funds for critical research, as well as comprehensive programs and services for people with MS.

So, what are you waiting for? Register online or make a contribution on the team's behalf by following the link to my Personal Page at the bottom of this message. I greatly appreciate your support and encourage you to become a part of the powerful movement that will end MS forever.

Thank you,
Haley Titus
